COMMENTS

Appreciation for institutional support of the last issue of South-Philosophical Studies is extended to: Texas Tech. University, The University of New Mexico and the University of Texas at Arlington. Special acknowledgement is also made to Dr. Ivan Little for his many years service as editor of the journal and supporter of the New Mexico-West Philosophical Society. During the past year I have developed a deeper appreciation of Professor Little's services. I also take this opportunity to express my thanks to Miss Sonia Roth who helped copy edit and otherwise assist in the production of this issue.
